## A TASTE OF VICTORY

The Girls Basketball Team was established two years ago, under the supervision of Mrs. Ora Sampson. It was no surprise that our girls would and did take the City Championship. This year, under the supervision of Mrs. Anderson, our girls won a terrific winning streak, but fell to the over aggressive Central team which stole our chances to maintain their title. But the students would like to thank the whole team for their fine demonstrations of sportsmanship.

On March 10, 1972, the Girls Basketball team again demonstrated their ability to handle the ball and pull out of a pressing game to a victorious win. Really, this is an encouragement for their opponents were not as qualified or as skilled. The women teachers were sent to the showers in defeat that would leave them sore the next day. The highlights of the game were Mrs. Caldwell's hamule shot and foul talking for 3 turnovers, and Miss Bodnar's 5 foul shots that never grazed the rim.

Overall, the afternoon was a most enjoyable one for all.

# Boys Track Team

Are you ready for another swift season? You better be because this year, West Side's track team will do its best to bring home a winning season. With the assistance of Mr. Lonnie Paige and Mr. Budd Walton, the team has "a fever red hot" — they cannot be stopped.

Mr. Paige, Robert Kinsey, Hayward Evans, Robert H. F. Alexander, Burt Williams, Crews, Mr. Walton.

*Kneeling J. Morgan, S. Davis, R. Sames, C. DeVose, F. Spann. Standing J. Macroebe, S. Banks, D. Little, L. McNeil, M. Sowers, B. Cunningham, D. Hawkins.*

The season looks good this year for our girls' track team. This year will be another one of those glorious times when our girls will once again take city and maybe state.

This season we have a few new runners. Evelyn Spann and Denise Little. The returning members are, Little "Jo", Christy, Lena, Brenda, "Mac", Hawkie, Karen, Peaches, Wilac Mac and last but not least, Sharon Banks, alias "Light-Foot Louise".

We wish next year's track team the best of luck, without those fabulous runners of '72.

*Kneeling Sharon Banks, Luan Morgan, Evelyn Spann. Standing Denise Little, Lena McNeil, Brenda Cunningham, Luan Macroebe.*

En el  $R$  se define  $\omega$  como el cociente  $\omega = \frac{1}{2} \frac{d\log \Delta}{\Delta}$  y  $\omega_{\text{can}} = \frac{1}{2} \frac{d\log \Delta_{\text{can}}}{\Delta_{\text{can}}}$ . Se tiene que  $\Delta_{\text{can}} = \Delta$  si y sólo si  $\Delta$  es un producto de potencias de  $2$  y  $3$ . En este caso,  $\omega = \omega_{\text{can}}$ . En caso contrario,  $\Delta_{\text{can}} = \Delta \cdot 2^a \cdot 3^b$  para algunos  $a, b \in \mathbb{Z}$  tales que  $a + b \neq 0$ . En este caso,  $\omega_{\text{can}} = \omega + \frac{1}{2} \frac{d\log(2^a \cdot 3^b)}{2^a \cdot 3^b}$ .

Dear Seniors

You have survived the turmoil of the years. Behind you lie the joys, the lingering sorrows and the bitter sweetness of your lives within the walls of West Side High. Before you lies the beginning of adult responsibilities, of constantly working toward your goal and of making decisions.

To each senior I give my love. Go out and attack the awaiting world.

Sincerely

Rose B. Muse

## MISS HEROIN

So now Little man, you've grown tired  
Of grass, L.S.D., goofballs and hash  
And someone pretending to be a true friend.  
Said, "I'll introduce you to Miss Heroin  
Well, honey before you start fouling around  
With me, just let me inform you of how it will be  
For I will seduce you and make you my slave  
I've sent men much stronger than you to their graves  
You think you could never become a disgrace  
And end up addicted to poppy seed waste  
So you'll start inhaling me one afternoon  
You'll take me into your arms very soon  
And once I have entered deep down in your veins  
The craving will nearly drive you insane  
You'll need lots of money (as you have been told)  
For darling I'm much more expensive than gold  
You'll swindle your mother, and just for a buck  
You'll turn into something vile and corrupt  
You'll mug and you'll steal for my narcotic charm  
And feel contentment when I'm in your arm  
The day when you realize the monster you've grown  
You'll solemnly promise to leave me alone  
If you think that you've got the mystical knack  
Then sweetie, just try getting me off your back  
The vomit, the cramps, your guts tied in a knot  
The jumping nerves screaming for just one more shot  
The hot chills and cold sweat, the withdrawal pains  
Can only be saved by my little white grains  
There's no other way, and there's no need to look,  
For deep down inside, you will know you are hooked  
You'll welcome me back into your arms once again  
And when you return (just as I foretold)  
I know that you'll give me your body and soul  
You'll give up your morals, your conscience, your heart  
And you will be mine until DEATH DO US PART

## AIN'T GOT NO TIME

Ain't got no time for jive man  
Ain't got no time to waste  
Ain't got no time to twagalo  
Ain't got no time to taise  
Ain't got no time to light one up  
no time to pop a bag  
Just can't afford no being high  
on booze or smoke or scag  
The revolution's here and now  
we die by the score  
Ain't got the freedom we had last year  
let alone got any more  
Brothers and sisters rot in jails  
brothers and sisters die  
While you nodd'n on some corner  
talkin' about you "fly"  
Still ripp'n-off waters and mothers  
for a bag of suicide dust  
And rats n-out the struggle  
everytime you take a bust  
When all "Black People" stand n tall,  
you still crawl'n in the gutter  
Well, when we use your head  
for a football, n gger,  
You better das'n't misser  
ain't got no time for the weak mas  
These are the days of the strong  
you got a choice of gettin' right  
Or end'n up "dead" wrong  
ain't got no time for even man  
This is the time to DO  
if you ain't ready to die b  
Ain't got no time for YOI

# MOTHER TO SON

Well son, I'll tell you  
Life for me ain' been no crystal stair  
It's had tacks in it  
And splinters,  
And boards torn up  
And places with no carpet on the floor  
Bare  
But all the time  
I se been a-climbin' on  
And reachin' landin's  
And turnin' corners  
And sometimes goun' in the dark  
Where there ain't been no light  
So, boy, don't you turn back  
Don't you set down on the steps  
Cause you finds it's kinder hard  
Don't you fall now  
For I se still goun' honey  
I se still climbin'  
And life for me ain't been no crystal stair

### LIFT EVERY VOICE AND SING

Lift every voice and sing, till earth and heaven ring  
Ring with the harmonies of liberty  
Let our rejoicing rise, high as the listening skies  
Let it resound loud as the rolling sea.  
Sing a song, full of the faith that the dark past has taught us  
Sing a song, full of the hope that the present has brought us  
Facing the rising sun of our new day begun —  
Let us march on till victory is won.

### ALMA MATER

In morning light and evening fall;  
Through all the days of coming years  
In times when glowing futures call,  
In hearts with laughter and with tears.  
Our love for you will never die,  
Oh Alma Mater, West Side High  
Our love for you will never die,  
Oh, Alma Mater, West Side High.
